Interagency Security Committee (ISC) Members and Stakeholders,

The ISC is excited to announce the return to **in-person** training! On **June 28, 2022** the ISC training team will deliver the award winning Risk Management Process and Facility Security Committee training in **Fargo, North Dakota**. If you have Facility Security Committee members or others that would benefit from the course in the Fargo area or in Region VIII please forward on these details. **Additional** in-person training opportunities with available dates are listed below. If your department/agency desires to host an in-person event, contact the ISC at: RMP_FSCtrng@cisa.dhs.gov

This half day (5 hour), instructor-led training course, serves as a prerequisite for **Facility Security Committee (FSC) membership**, covers the ISC Risk Management Process and the roles and responsibilities of FSC members.

- Successful completion of this management level course – MGT 909 – will earn graduates **.3 CEUs (continuing education units)** through the course's accreditation with the International Association for Continuing Education and Training (IACET).
- The target audience includes FSC Chairs, FSC Members, Executives, Managers, and any personnel involved in making facility funding, leasing, security, or other risk management decisions.
- There are no prerequisites for this course and it is offered at ***no cost to participants***. This training provides an opportunity for students to engage with ISC staff and to learn in an interactive environment with their peers.
- Dates are provided on a "first come first serve basis" for Departments and Agencies to schedule In-Person RMP & FSC Training at their location.
- Departments and Agencies **must complete** the attached "In-Person Training Request Form" in order to schedule their training and submit to RMP_FSCtrng@cisa.dhs.gov, please reach out to your Regional Advisor (see list below) or ISC Training Staff at RMP_FSCtrng@cisa.dhs.gov for any questions.
